

Matthew Decker, Chair, Co-Chair, Marketing & Communication

BSEE, MBA, DFCP

Principal, F-Response

Matthew Decker has over thirty years of professional experience in the service of the United States Department of Defense (DoD) and private industry. During his career he has been employed as a Senior Manager in the Information Risk Management practice of KPMG LLP, provided security consulting services with Lucent Technologies and International Network Services (purchased by Lucent in 2000), devoted engineering and security consulting support to the United States Special Operations Command (USSOCOM) with Booz Allen Hamilton, and served nine years with the National Security Agency (NSA).

Mr. Decker received his Bachelors Degree in Electrical Engineering (BSEE) in 1985 from Florida Atlantic University, and earned a Masters degree in Business Administration (MBA) in 1998 from Nova Southeastern University. He is a member in good standing of ISSA and InfraGard, and served as President to the Tampa Bay Chapter of ISSA from 1999 - 2003. Matthew has testified as an information security and digital forensics expert in state and federal courts, and is published and holds numerous patents in the digital forensics and information security space.
